

MATHS4PARENTS workshop

Weds 14th October - 7.00-9.00pm
Woodlands Hotel, Sidmouth

Don't know your chunking from your pinching, your bodmas from your body mass?

Want to help your child with their maths but don't understand 'new-fangled' methods and techniques? **We are here to help!**

Covering maths techniques used from Key Stage 1 through to Key Stage 3 **this workshop will help you work more effectively with your child.**

The seminar will be run by teachers from St John's School, but **all parents are welcome** - you do not need to be the parent of a child at St John's School. Please tell your friends, but please also RSVP.

Some refreshments will be available.
