

24th April 2017

Dear Parents and Guardians,

RE: Individual, Siblings, Class and Sports Photos 2017

On Friday the 28th April we will be having our annual photography session. This year we will be having the individual, siblings, class and sports photos.

Could you please therefore ensure that on Friday your son or daughter comes to school as immaculately presented as possible - one of the reasons we do this so near to the start of term! Hopefully the weather will remain good, as we intend to have the photos taken outside.

Children need to be in full uniform on the day. If they have represented school teams at any point in the year, they also need the appropriate sports kit with them. A limited number of spares will be available on the day in case they have grown out of Rugby/ Hockey kit from Autumn or have already moved to the new kit.

I will let you know once we have access to the finished articles. Prints will be available online from Bentley's Photographic. More information will be sent soon regarding the purchasing process.

Thanking you in anticipation of your cooperation,

Rob Tasker
Head of Pastoral
