Clavis Exhibition

Dear Parents,

We are writing this letter to formally invite you to our exciting multi-media Clavis Exhibition. This is the second year that Years 7 and 8 have run this independent learning project.

This year pupils were given the theme of 'Change' and have been given the opportunity to explore and expand on various ideas within their different subject areas. Pupils have also planned and organised how the event will be run.

We would also like to welcome parents from Years 5 and 6, who may well be coming to see the Junior production in the early evening, as this will give you the opportunity to see how the principles of PYP are developed within the Senior School.

The exhibition will be held on Wednesday the 29th of March between 4pm and 5pm. Refreshments will be available during the course of the exhibition.

We look forward to seeing you there.

Kind Regards,

The Clavis Committee: Adam, Peter, Anna and Daniel
