### 3 Day IGCSE/GCSE Revision Courses in Mathematics and Science

Dear Parents and Guardians

After last year's success, we are delighted to be able to offer a 3 day revision course this year. These classes will to be taught by our own specialists who have experience teaching a wide range of academic ability and proved a success last year.

Our 3 day revision course will be taught in small groups so candidates commit fully to an intensive period of work. When booking, we ask pupils to identify their exact revision needs as much as possible and to provide detailed information regarding their requested topics.

The courses will be tailored to suit the needs of the pupils and our specialist teachers would be happy to discuss the options and ensure the course fits each candidate's requirements. These courses are designed to help candidates improve their skills and examination technique, develop their subject knowledge and maximise their confidence and potential in examinations.

Different exam boards have distinct styles of questioning so it is important that candidates state which exam board they are sitting and the level of exam they are entered for. This will allow the subject teacher to prepare in advance and ensure each individual gets the most from these courses.

St Johns International School is offering these revision days at a cost of £60 per day on

**Monday 3rd April until Wednesday 5<sup>th</sup> April 2017.**

If you feel you could benefit from some help with your revision and therefore want to take part in these extensive revision courses, please fill in the slip attached and return it to Mrs Searle or Mrs van der Giezen by **Friday 10<sup>th</sup> March 2017**. If you would like further details or information, please contact Mrs Searle ([adele.searle@iesmail.com](mailto:adele.searle@iesmail.com)) or Mrs van der Giezen ([marion.vandergiezen@iesmail.com](mailto:marion.vandergiezen@iesmail.com))

Yours faithfully

Marion Van der Giezen  
Head of Science

Adele Searle  
Head of Mathematics and Examinations Officer

**FAO: Mrs Van Der Geizen and Mrs Searle**

**Maths and Science Easter Revision Courses 2017**

Yes, please, \_\_\_\_\_ (pupils name)

would like to take part in these revision classes for:

- **Maths:**
  - Edexcel GCSE Maths Foundation/Higher and/or
  - Cambridge IGCSE Maths core / extended)
  - Other:
- **Science:**
  - IGCSE Combined / Coordinated core / extended Science
  - IGCSE biology / chemistry / physics
  - Other:

*(Please clearly indicate exam boards for these subjects.)*

I include my payment of £60 per day.

*(Please make cheque payable to St John's International School Ltd.)*
