Trip to the Eden Project with workshop

Dear Parents and Guardians,

I am very excited to announce that on **Monday, March 20th**, all pupils in Years 6 to 10 will be taking a trip to the Eden Project. This gives them the opportunity to explore the different climate domes and the exhibition, all of which are highly interactive and engaging. Years 6 to 9 will discover the importance of biodiversity and the role of seed banks and pollinators in maintaining food security during their workshop in the afternoon.

Please have a look at the following link for more details:

<http://www.edenproject.com/learn/schools/workshops-at-eden/biodiversity-bees-and-me>

Year 10's will be looking at the impact of climate change and explore some of the reasons for it, as well as realistic solutions. The focus will be on Geography, Citizenship, Science and Sustainable Development. Please have a look at the link here for more information:

<http://www.edenproject.com/learn/schools/workshops-at-eden/climate-challenge>

We will leave school at 8:30am and return by 4:45pm. Children should come to school in uniform and have a warm waterproof coat. Children can take their phones and/or camera's. They may also wish to bring a water bottle, a healthy snack for the bus and some cash to buy a small souvenir. All food, including lunch itself, and snacks at break time and tea time will be provided.

The cost for this trip is £12.50 per child. This is to cover the cost of transport as the PTFA have very kindly offered to pay for entry and the workshops. Please could payment be made as soon as possible, either in cash or cheque made payable to "St John's International School", given to Mr. Davies or Mrs van der Giezen.

Please do not hesitate to get in touch with myself personally or by the email address below, should you have any questions or concerns.

Kind regards,

Marion van der Giezen
Head of Science
