

30th March 2017

Dear Parents and Pupils of St John's School,

RE: ISHB Fund Raising

The mufti day arranged to raise money for Hout Bay, South Africa on Friday 17th March was a great success. Nearly £400 has so far been collected with more money still arriving in school this week. The money raised is going to be used to help to rebuild the fire-damaged community in the Hout Bay area and our sister school at Hout Bay are very grateful for the support which we have shown.

It has been a fantastic collective effort from pupils, staff and parents; in addition to the £3 suggested donation for mufti, many extra donations were made in both the Senior and Junior school.

On behalf of St John's School, I would like to say a huge thank you for your generosity, which will make a great difference.

Kind regards,

Will Ashby

Head Boy
