InterSEK Guadalajara 2017

Dear Parents,

We have finally managed to collect all funds and book flights. Exact details to follow but the headline figures are that we will fly from Heathrow on the 4th of May, stay the night in Mexico City before a day's sightseeing and an evening flight to Guadalajara where we will be met by our host families. We will then spend the rest of the weekend with our hosts.

We investigated the possibility of travelling via our school in Boca Raton but, unfortunately, this would have taken us over our guaranteed maximum price of £1000. On a personal note, I think the additional excursion to Mexico City is likely to be a far more culturally stimulating alternative anyway.

The return flight is on the early evening of the following Sunday, which means we will be back at Heathrow on the afternoon of the 15th May. Once we have confirmed our plans in Mexico City, we will send out more specific details about exact times and travel arrangements.

In recent years Holy Trinity parents have wanted to make their own arrangements to and from Heathrow as did some SJS parents. If you are intending to make your own arrangements, it would be helpful to know as soon as possible.

Our next task is to get our pupils ready to compete in Mexico and I will therefore be holding an InterSEK club every Thursday at St John's from 5-6pm. All St John's participating pupils are expected to attend. We will also be having a full day's training with all participants and are liaising with Holy Trinity now to identify the best time for this.

We will be in touch very soon with more information but rest assured we are on track!

Kind regards

Jacey Lee
