

3rd May 2017

Dear Parents,

We hope that you all had a lovely long weekend ! In anticipation of some drier, warmer weather, we would like to send out a few reminders.

Summer months

Please ensure that your child comes equipped for any weather! We have a box to place your child's sun hat in (please name clearly) and ask that they wear sensible shoes for their safety eg no flip flops, crocs or open toe sandals. Please also ensure that your child has a raincoat each day to allow us to keep dry as we walk up to the lunch hall.

Sun cream

Please send your child with sun cream applied each morning, Nursery staff will assist your child to reapply as necessary. Please supply sun cream in a clearly labelled bottle. Alternatively, we have purchased a bottle of Nivea factor 50 sun cream. Please sign the declaration if you would prefer to use this, it will be positioned in the Nursery entrance hall, we are asking for a donation of 50p to cover the expense.

Collection and drop off times

Our numbers in Nursery have now doubled from six months ago and as a result we are working to close child / adult ratios. A gentle reminder that if you drop off before your arranged time or collect later than planned, it may place us out of legal ratio. Please let us know in specific circumstances and we will be more than happy to try and accommodate this.

Nursery claim forms

Many of you have now confirmed your hours for this coming term, if you are still to complete the form or are unsure, please speak to Carrie as soon as possible. We are now full on all days except for Fridays.

Nursery Photographs

We are arranging for Willow Studio to visit Nursery to take natural portraits of the children. There is a sample magazine and pricing guide in Nursery. Once a date has been confirmed, we hope to organise the day to include all Nursery children and also include siblings in the school.

We have many more exciting times coming up in Nursery such as Sports Day, parents meetings and the leavers party. More details to follow very soon.

Carrie
