Re: Mathematics and Chemistry Revision Classes

Monday – Wednesday : 3rd - 5th of April 2017

Dear Parents and Guardians,

We are currently working with your son/daughter to find out which topics are best served revising as we handed out topic lists to go back with indications on the topics they would like to revise on most. It would be a great help if you could encourage your child to liaise with us; we really would like to make this revision time as efficient as possible.

Pupils who have signed up to revision classes for Science will be mainly covering Chemistry, as this clearly is the main subject which pupils have requested.

We will start at 09:00 and finish at 15:00. We will be planning in a short break in the morning and 30 minutes at lunchtime. They need to bring their own packed lunches, drinks and snacks during these days.

We are looking forward to these intensive, productive revision days.

If you have any queries please do not hesitate to contact us by email:

adele.searle@iesmail.com or marion.vandergiezen@iesmail.com

Kind regards

Adele Searle and Marion van der Giezen
