

28<sup>th</sup> February 2017

Dear Parent

**RE: First Aid Training**

We have been offered an exciting opportunity for GCSE & A'level PE candidates to be part of an in-school First Aid training course. This is an integral area within both examination PE syllabuses, each course having focused First Aid topics.

This course is also available to Year 10 pupils not studying GCSE or A'level PE, however there are limited spaces and will be served on a first come basis. The course will be provided by St John's Ambulance and will give pupils skills that could prove vital in any setting at any time. The workshop will take place within their PE curriculum time.

The duration of the course (Core Skills) is 3 hours and a leaflet has been attached for your information on the content that will be covered. The cost of this course is £6.00 per pupil and will need to be returned to Miss Sharp, no later than Monday 6<sup>th</sup> March.

If you would like any further information about this very worthwhile opportunity, please do not hesitate to contact me ([autumn.sharp@iesmail.com](mailto:autumn.sharp@iesmail.com)).

Your sincerely

Miss Sharp

PE & Games Teacher
