Sport Fixtures Term 2

Dear Parents and Guardians

Please find enclosed a fixture list for this term's sporting events. Given we have so many fixtures in the course of Term 2, it should be easier for you to keep track of potential events your son/daughter may be involved in. Due to the nature of this term being so short and the number of fixtures we have in the calendar, some may not fall on the usual afternoon or be played within traditional games lessons.

The increasing parental support at matches over the last year or so has been fantastic, so by producing this fixture list I hope it may enable or encourage even more of you in coming to support and be a part of your child's success in representing the school. We will continue to send weekly team sheets for every fixture, so please do still check these as times or venues may occasionally change closer to the date due to day to day logistics.

As you will see, we have a wide variety of sports for boys and girls throughout the age ranges. We are now a fully-fledged member of the East Devon School Sports Association (EDSSA) and from this we will be participating in numerous Regional & National Qualification events with full progression pathways as well as more friendly Central Venue competitions among the local schools in East Devon. Due to this there may also be additional fixtures not stated in the fixture list should we qualify or progress in certain sports and new opportunities arise mid-term. We have also picked up new fixtures with schools of similar size as well as new fixtures with some of the larger independent schools, particularly for the junior teams.

Included on the fixture list is also a list of this term's age group captains, expectations of our students while representing the school and contact details for the Games & PE Department. Kit required for sports lessons and fixtures is also included.

Finally, news I am sure most will welcome. I have now confirmed and signed off on the new PE & Games kit. Whilst this has been a long affair, I believe it a worthwhile one. The kit will be of excellent quality, of contemporary style and truly portray where I believe we now are with school sport at St John's.

Rob Tasker
