

2nd February 2017

Dear Parents,

Re:

- **Student-Led Reporting, Friday 10th February, 2:30-3:30pm and**
- **Mid-Year Reports for Junior School.**

All parents are invited to attend this event. As per IB guidelines for student-led conferences, students are responsible for leading the discussions and also take responsibility for their learning by sharing the process with their parents. It may involve students demonstrating their understanding through a variety of different learning situations.

The conference will involve the students discussing and reflecting upon samples of work that they have previously chosen to share with their parents. The students should also identify strengths and areas for improvement. It enables parents to gain a clear insight into the kind of work their child is doing and offers an opportunity for them to discuss it with their child. They will take place in your child's classroom and you are able to take them home with you once completed, or children are welcome to stay until the end of the day at 3:30pm.

Your child(ren) will then bring home their "Mid-Year Reports". These are a summary of how they meet our overall expectations, in line with the IB Primary Years Programme. We will be reporting on:

- Language skills,
- Mathematical skills,
- Inquiry,
- Learner Profile Development and
- Specialist subjects.

Kind regards, and thank you in advance for your support,

Andi Davies
Head of Junior School
