Dear Parents,

re. Violin Tuition

For two weeks, the pupils in Years 3 and 4 have received an introduction to violin playing from Mr Foster for which we are very grateful.

If you would like your child to bring home a violin over the Easter holidays, could I ask you please to sign an instrument loan agreement form which Ms King holds in the school office? Upon receipt of this form, I will hand over a violin to your child.

Furthermore, Mr Foster is happy to offer violin teaching, not just for individual pupils, but in groups of two, three or even four thus reducing tuition costs significantly. If you would be interested in this, please e-mail me on clive.salmon@iesmail.com and I will e-mail you a music option form.

With best wishes for a tuneful Easter break !

Clive Salmon

Year 4 Class teacher

Director of Music
